

Capital Dynamics Wins “Outstanding PPA Deal UK & Ireland” at Inspiratia Awards

London, November 21, 2024 – Capital Dynamics, an independent global private asset manager, is proud to announce its win in the “Outstanding PPA Deal UK & Ireland” category at the prestigious Inspiratia Awards. These awards celebrate excellence and innovation in the global infrastructure and renewable energy industries, and Capital Dynamics is honored to be recognized among the distinguished leaders driving transformative changes.

This achievement highlights the exceptional work and unwavering commitment of Capital Dynamics’ Clean Energy team. Their innovative strategies and expertise continue to accelerate the transition to a low-carbon future. This milestone also reflects the trust and collaboration of the firm’s valued partners and investors, who play an integral role in advancing sustainable energy initiatives.

“With over a decade of experience in renewable investments, supported by an integrated asset management division, we consistently maximize value at every stage of the investment cycle. A key part of our distinctive approach is aligning next-generation renewable projects with PPA counterparties, strategically positioning investments for de-risked execution and sustainable value creation. We are proud to have been recognized for this achievement” announced **Barney Coles, Co-Head of Clean Energy**.

“We are honoured to receive this award from Inspiratia” said **Dario Bertagna, Co-Head of Clean Energy**, “This recognition underscores the impact of our efforts to lead the way in clean energy investment while delivering tangible value to our investors. It motivates us to continue pushing boundaries and creating meaningful, sustainable change through innovative energy solutions”.

Capital Dynamics has been investing directly in clean energy in UK since 2010 and currently owns and operates over 2GW of subsidy-free assets. Capital Dynamics’ Clean Energy platform makes direct equity investments in carbon-reducing, renewable power generating projects from late-stage development through commercial operations. The Clean Energy team, including its dedicated asset management affiliate, Netro Energy, is comprised of over 35 specialized professionals with global capabilities, sector expertise and an extensive industry network.
